Deep Sea Fishing- PA is famous for Sportfishing! Here you fish less than a mile offshore for Sailfish, Marlin, Dolphin (Mahi-Mahi), as well as Tuna, Mackerel, Wahoo and Barracuda. Sailfish run from March - July. There is a resident population in the area as well. You may book the 'The Flyin' Fish' (my husband's 37' Ensign), through me and be sure of a reservation; during the fishing seasons, ALL the fishing boats busy. You can also rent other boats through Capt. Rick's Sport Fishing at - www.captricksfishing.com.

Flats Fishing- Excellent opportunities for Bone Fish, Permit, Snook, Barracuda, and Snapper within an hours drive. I am happy to book this trip for you. The place we recommend is well run, the fishing is excellent and the lagoon is beautiful.
