Section Four - All Around Puerto (part four)

Restaurants and Bars

PA has a variety of restaurants from which to choose, and most offer pretty darn good food! You may choose between Italian, American, Caribbean, Mexican and Mayan food.

My favorites are listed below.

Cafe Ole- affectionately called 'Cafe All Day' serves breakfast, lunch and dinner. Gary and Gayle are the owners and Gayle (Gary's wife) makes great homemade pies, the banana pancakes are very popular as is the pasta with seafood sauce. Gary and Ritchie play acoustic guitar and are quite often heard singing at night.

Gringo Dave's- Big Margaritas, lively atmosphere, good food and lots of tvs., keeps Dave's hopping. Stop by to watch the game, and watch the dolphins frolic nearby.

Italian Bakery- Good homemade Italian food! Try the Fried Calzone or Coconut Shrimp, both are excellent! A word to the wise; go before you are hungry because the service and the kitchen is typically friendly but slow.

Cafe Cafe Internet and Deli- See Mimi and Daniel for long distance phone calls, internet access, Cappuccino, great desserts and Big Sandwiches. Try the Veggie Sandwich filled with artichokes, sun-dried tomatoes, cream cheese -it is very yummy.

The Pub- The owner is named, 'Paul' and he is English so this is where you will go to find Shepard's Pie, Roast Beef, Fish and Chips. They have a nice spot on the marina, next to the dolphins and lots of umbrellas to enjoy a cold beer on a hot day.

Richard's Quarterdeck Steak House- Richard is one of the town characters; he can be a lot of fun but don't believe everything he tells you (he likes to pull legs). He serves a mean steak and has a nice salad bar, his BBQ Shrimp are good.
